

## Duty of Candour Annual Report

Every healthcare provider must be open and honest with patients when something that goes wrong with their treatment or care causes or has the potential to cause harm or distress. Services must tell the patient, apologise, offer appropriate remedy or support and fully explain the effects to the patient.

As part of our responsibilities, we must produce an annual report to provide a summary of the number of times we have to trigger Duty of Candour within our service.

Name and Address of Service:	Strathearn Health and Beauty 264 Bath St Glasgow G2 4JP
Date of Report:	13.12.2023
How have you made sure that you (and your staff) understand your responsibilities relating to the duty of candour and have systems in place to respond effectively? How have you done this?	We have a comprehensive Duty of Candour policy and all staff are given mandatory in house DoC training. A DoC incident checklist is available on the company server
Do you have Duty of Candour Policy or written Duty of Candour Procedure?	Yes

How many times have you/your service implemented the duty of candour this year?	
Type of unexpected or unintended incidents	Number of times this has happened (Jan 2019 – Feb 2020)
A person died	0
A person incurred permanent lessening of bodily, sensory, motor, physiologic or intellectual functions	0
